AIMS AND SCOPE

The *European Respiratory Review*, an official journal of the
European Respiratory Society (ERS) publishes, in the Eng-
lish language, "State of the art" reviews on current topi-
cal issues in respiratory medicine, science and surgery. All
material will be subject to peer review. Correspondence to
the Editor regarding published material is encouraged. The
European Respiratory Review comprises submitted articles
and sponsored material; this information is clearly indicated
in the provenance section of the article.

ACCESS

The *European Respiratory Review* is published by the ERS in
one annual volume (volume 20 in 2011).
The *European Respiratory Review* is an open access journal.
Online content can be accessed free at: err.ersjournals.com

A print subscription is no longer available, but ERS Gold
members receive the printed version of the *European
Respiratory Review*.

All permission requests should be sent to:
permissions@ersj.org.uk
Reprint and translation enquires should be sent to:
admin@ersj.org.uk
