## AIMS AND SCOPE

The *European Respiratory Review*, an official journal of the  
European Respiratory Society (ERS) publishes, in the Eng-  
lish language, "State of the art" reviews on current topi-  
cal issues in respiratory medicine, science and surgery. All  
material will be subject to peer review. Correspondence to  
the Editor regarding published material is encouraged. The  
*European Respiratory Review* comprises submitted articles  
and sponsored material; this information is clearly indicated  
in the provenance section of the article.

## ACCESS

The *European Respiratory Review* is published by the ERS in  
one annual volume (volume 20 in 2011).  
The *European Respiratory Review* is an open access journal.  
Online content can be accessed free at: [err.ersjournals.com](http://err.ersjournals.com)

A print subscription is no longer available, but ERS Gold  
members receive the printed version of the *European  
Respiratory Review*.
