AIMS AND SCOPE

The *European Respiratory Review*, an official journal of the
European Respiratory Society (ERS) publishes, in the English
language, "State of the art" reviews on current topical issues
in respiratory medicine, science and surgery. All material
will be subject to peer review. Correspondence to the Editor
regarding published material is encouraged. The *European
Respiratory Review* comprises submitted articles and spon-
sored material; this information is clearly indicated in the
provenance section of the article.

ACCESS

The *European Respiratory Review* is published by the ERS in
one annual volume (volume 21 in 2012).
The *European Respiratory Review* is an open access journal.
Online content can be accessed free at: err.ersjournals.com

A print subscription is no longer available, but ERS Gold
members receive the printed version of the *European
Respiratory Review*.

All permission requests should be sent to:
permissions@ersj.org.uk
Reprint and translation enquires should be sent to:
admin@ersj.org.uk
