ONLINE SUBMISSION

All manuscripts should be submitted using the online submission site: <http://mc.manuscriptcentral.com/err>
If you experience any problems please contact Sarah Hill at errscholarone@ersj.org.uk

AIMS AND SCOPE

The *European Respiratory Review*, an official journal of the European Respiratory Society (ERS) publishes, in the English language, "State-of-the-art" reviews on current topical issues in respiratory medicine, science and surgery. All material will be subject to peer review. Correspondence to the Editor regarding published material is encouraged. The *European Respiratory Review* comprises submitted articles and sponsored material; this information is clearly indicated in the provenance section of the article.

ACCESS

The *European Respiratory Review* is published by the ERS in one annual volume (volume 22 in 2013).
The *European Respiratory Review* is an open access journal. Online content can be accessed free at: <http://err.ersjournals.com>

A print subscription is no longer available, but ERS Gold members receive the printed version of the *European Respiratory Review*.

All permission requests should be sent to: permissions@ersj.org.uk

Reprint and translation enquiries should be sent to: admin@ersj.org.uk

Business matters (enquiries, advertisement bookings and individual copies) should be addressed to: info@ersj.org.uk

INSTRUCTIONS TO AUTHORS

Instructions to authors can be found at <http://err.ersjournals.com>

INFORMATION FOR SPONSORS

The *European Respiratory Review* has various sponsorship options available.

To find out more please contact Steve Sealy | E-mail: steve.sealy@ersnet.org | Tel: +41 21 213 0161

ABSTRACTS AND INDEXING

The *European Respiratory Review* is currently abstracted/indexed on: MEDLINE, EMBASE/Excerpta Medica, Scopus, SIIC Data Bases, DOAJ, CAB abstracts, Global Health Sciences and Open J Gate.

ENVIRONMENTAL STATEMENT

The publisher ensures that the text paper and cover board used have met acceptable environmental accreditation standards. The editorial content of the *European Respiratory Review* is printed on acid-free paper.
