

CrossMark

“Intersections of lung progenitor cells, lung disease and lung cancer.”
Carla F. Kim. *Eur Respir Rev* 2017; 26: 170054.

Unfortunately, the caption for figure 1 of this article in the June 2017 issue of the *European Respiratory Review* contained incorrect citation details. The images were provided courtesy of Samuel P. Rowbotham (Boston Children’s Hospital, Boston, MA, USA; Harvard Medical School, Boston, MA, USA; and Harvard Stem Cell Institute, Cambridge, MA, USA), and were not reproduced from a previous article in *Cell* (Lee *et al.*, *Cell* 2014; 156: 440–455), as stated in the original caption. The article has been corrected and republished online.
