

CrossMark

**“Central sleep apnoea and periodic breathing in heart failure: prognostic significance and treatment options.” Winfried Randerath, Oana Deleanu, Sophia Schiza and Jean-Louis Pepin. *Eur Respir Rev* 2019; 28: 190084.**

Unfortunately, in this article in the September 2019 issue of the *European Respiratory Review*, one of the authors names was presented incorrectly in the author list. It should have been presented as Oana Claudia Deleanu. The article has now been corrected online.
